Donald Stenberg Collection

A collection of audio tape recordings (1955-1962) from the family of baritone Donald Stenberg. Stenberg was also Chair of the San Francisco Conservatory voice department from 1960-1975 and married to pianist JoAnn Crossman. The recordings include Crossman and Stenberg performing together during in studio concerts broadcast on KPFA-FM in the late 1950's as well as a series of takes from a recording session for their "Album of American Art Songs" released on the Educo label.
