Is It Borrowing Or Stealing, for networked computers (5:48) / Phil Stone & The Hub;[unidentified work for networked computers] (08:05) / The Hub

Description

Source recording for Impact: Innovative Music From the Pacific Coast.

A performance by the Hub, at the LAB in San Francisco, sometime in 1986 (possibly 1987). Undated. The Hub were a computer music group whose members included Chris Brown, Phil Stone, Scott Gresham-Lancaster, John Bischoff, Tim Perkis, and Mark Trayle.

This recording is the first in three parts of the performance.

Part of this performance can be found in Impact: Innovative Music From the Pacific Coast: Program No. 4: The Hub & Kronos Quartet.
