

# Speaking of Music: Jin Hi Kim, 1 of 2

Image not found or type unknown

## Identifier

SOM.1990.04.12.A

## Description

Recorded on April 11, 1990 as part of the San Francisco Exploratorium's Speaking of Music series, Charles Amirkhanean interviews Jin Hi Kim about the traditional music of Korea as well as her own career as a composer, and the first female virtuoso on the komungo to experiment with free improvisation. She has performed with such musicians as Henry Kaiser, Elliot Sharp, and Joseph Celli, and has experimented with an electric komungo, samples of all of which can be heard in this excellent program.

## Musical Selections
