

George Antheil Collection: Interview with Benjamin Lees, 2 of 2

Image not found or type unknown

Identifier

GA.1970.10.26.B

Object Type

Analog Audio

Description

In this rare 1970 interview, complete with operator connection, Charles Amirkhanian conducts an interview with American composer Benjamin Lees. The interview focuses on the work of George Antheil, and extends from there into Antheil's dual identity as a composer and how those identities interact with the artistic community and beyond.

People

Lees, Benjamin, 1924-2010 (features)
